5. Geometrisch Schreefloos I

A stylized illustration of an apple with a bite taken out of its right side. The apple is primarily white with a dark brown stem and a small brown leaf. The word "APPLE" is repeated in a curved, overlapping font along the top edge of the apple's body, starting from the stem and curving down towards the bite mark.

APPLE

The image features a central, winding spiral composed of the word "APPLE" written in a bold, sans-serif font. The letters are a vibrant green color. The spiral is oriented diagonally, with the text flowing from the bottom left towards the top right. A thick, dark brown curved line begins at the top right corner of the image and sweeps downwards, partially enclosing the spiral as it curves. The background is a plain, light gray.
